Market Commentary:

The EGX30 a sharp upward move which was mainly by the CIB pushing the index above our support zone 11500-11450 but still needs confirmation as trading volumes significantly decreased so levels are still considered the same. As we said, breaking the mentioned support zone leads to further decline to the coming support level 11230 where we believe represents a good short term trading opportunity.

Yet, we recommend to react on every stock separately either that are trading near their supports or that managed to confirm breakout. Always keep close stops placed and respected to reduce market risk.

**Commercial international bank (COMI.CA):**

Prices gapped up ahead of trading reaching the resistance level 63.00 where the move was halted and continued flat till the end of the session leaving levels the same and so for our outlook.

New trades should wait for more confirmation while existing ones are advised to keep protective stop placed below 60.00.

Support levels: 60.00, 58.50  
Resistance levels: 63.00, 64.50

**Hermes Holding (HRHO.CA):**

Prices remained narrowly flat after quiet trading performance keeping everything in place.

The decline is yet to continue to the coming support level 14.60 where we believe that short term trade might emerge from using the mentioned zone to close the trade on bearing in mind trading volumes.

Close stops should always be placed and respected to protect the downside.

Support levels: 14.60, 13.70  
Resistance levels: 15.25-15.55, 16.60-17.10

**El-Ezz steel rebar's' (ESRS.CA):**

Prices witnessed an upward move breaking the resistance level 10.60 closing slightly above but still needs confirmation due to lack of volumes which do not support consistency so levels are unchanged and so for our outlook.

As we said, we may close our sold positions after the violation of 10.60 bearing in mind that any violation to the mentioned support will keep prices under further stress and lower levels will be expected.

Support levels: 9.80, 8.90  
Resistance levels: 10.60, 10.90
